

Mission, Vision, and Values

Mission

To positively influence the world.

Vision

For people who want to enrich their lives and the lives of others, ESG United Church is the pathway to growth that 'does church differently.' It's the safe place to experience religion and spirituality that inspires people to be, and do, better.

Values

- **COMPASSION** borne from a deep passion and concern for the well-being of the human spirit.
- A **COMMUNITY** that fosters relationships grounded in a spiritual foundation. Powerful connections that nurture belonging, self-love and love for others, honesty, and trust.
- A **FAIRNESS** that does not tolerate judgement and discrimination and advocates for social justice.
- Belief in everyone's **POTENTIAL** to be better and their ability to fulfill what has yet to be imagined.

Benefit to Others

We believe everyone has the power to make positive change. ESG empowers people to grow, by offering an inclusive, engaging, spiritual community that inspires personal enrichment.

An Open ESG Community

Persons of all ages, gender, race, sexual orientation, gender identity, differing abilities, ethnic background, or economic circumstances are welcome to take part in every aspect of church life, including membership, leadership, celebrating life passages, and marriage.
